The Financial Secretary
to the Government of Mysore,
Bangalore.

Dear Sir,

We beg to state that due to increased demand for our Hosiery goods we have started working of the Hosiery department during nights also. For such night work, capital expenditure estimated at Rs.400/- to instal lighting equipment has been necessary.

Further the Channel Authorities of Engineering Department have asked us that our Mill pond, which is fortnightly filled with water for drinking purposes during summer under a standing Government Order, should not take so long as at present for filling. This has necessitated the laying of a duplicate line of inlet pipes, at an estimated capital expenditure of Rs.600/-.

We therefore request that Government may be pleased

pleased to sanction the above estimates of expenditure for Rs.1,000/-. We may add that this was duly reported to the Board of Directors at their Meeting held on 31.1.1937.

Yours faithfully,

Secretary
